9	Hi there. I really enjoyed the event however i didnt find much new in the topic on the panel discussion. I thought Fiona was an excellent moderator but it was challenging to get any new insights from the participants. We as a company continue to support AWAR and are very appreciative of the work you continue to do in the industry. Orla
11	Yes - Impetus Carbon is very interested and looks forward to securing funding to be able to sponsor such a brilliant organisation!
