

AWAR 2026 SPONSORSHIP GUIDE

ABOUT

Advancing Women in Aviation Roundtable (AWAR) is a non-profit, volunteer-led operation. AWAR produces several world-class events every year, funded 100% by our generous corporate sponsors. In addition, AWAR has a unique set of individual supporters. These supporters work within the aviation industry and have a personal interest in achieving equity and promoting diversity.

Our mission is to engage with CEOs and other senior executives to build awareness and develop actionable strategies to promote the development and advancement of women leaders in the aviation industry.

HISTORY

AWAR was founded in 2015 by Amelia Anderson, Assistant Treasurer of American Airlines (now retired), and Dana Barta, Head of Aviation Capital Markets at JP Morgan. In 2022 Emily Wicker, Partner at Clifford Chance LLC, became the 2nd president of AWAR. AWAR is a 501(c)(3) non-profit corporation registered in the United States.

AWAR ENGAGEMENT MODEL

Each AWAR event is designed to deliver specific educational content and give attendees the opportunity to engage in discussion and curated exercises with their counterparts, often over lunch (hence, the “roundtable” in the AWAR name.) Participants are encouraged to use this learning to create actionable strategies that they can share with others and take away to use in their own workplaces.

WHY SPONSOR?

Join other industry-leading companies who support the AWAR mission as part of their own commitment to diversity & inclusion. AWAR is proud to represent and subscribe to the United Nations’ Sustainable Development Goals #5 and #10.
